## WHO WE ARE

We are guided by two principles: the idea that the proximity of the farm and soil to a restaurant correlates to the quality of its food and that environmentally conscious or green business practices are fundamental. Using these two complementary principles we will serve food inspired by classic recipes interpreted with local ingredients in a casual atmosphere at approachable prices. We thank our Greenhouse Tavern family for their hardwork and dedication:

Scott Ackerman	Eric Mohoray
Christopher J. Beaver	Joe Piunno
Jonathan P. Blair	Jen Plank
